

Corte Emozione

Through this mobile app, we invite you to follow a landscape reading route through Corte, illustrated with artworks - paintings, drawings, and photographs - created by artists inspired by our town. We encourage you to discover these works on a walking tour that will deepen your awareness of space and viewpoints, and take you on a journey through time.

Tour 5 Corte Emozione

A visual and emotional encounter with Corte through an artistic reading trail

"Discovering the Heritage of Corte"

Located at the geographical heart of the island and former capital of Corsica (1755–1769), Corte has preserved many historical remnants from that period and beyond, giving the town its unique charm.

Here, history and future, tradition and modernity coexist and sometimes blend, always infused with the memory of its places and the people.

Explore Corte through thematic routes and enjoy an immersive experience at the heart of its exceptional heritage.
